Aryan Textiles, Jabalpur, India

Jabalpur, India

Founder , Proprietor

Jan, 2018– Dec, 2022

- Managed the entire production process, ensuring high-quality standards, timely delivery, and optimization of operations.
- Demonstrated strong leadership by overseeing a 20-member team, driving smooth operations, and achieving production targets through effective guidance and coordination.
- With 4+ years of experience in sock manufacturing, I possess a versatile skill set in supply chain management, product development, team leadership, operations, growth driving, innovation, and process optimization. These skills are highly transferable and valuable in web development, enabling efficient delivery of complex, stakeholder-driven projects with data-driven decision making, high quality, and adherence to timelines and budgets.
